## Understanding Coverage Choices

Below are general descriptions of types of insurance coverages. You'll want to consult your policy for terms, conditions and limits of your own insurance coverages.

### Auto Insurance

**Bodily Injury Liability** - Helps protect you from paying medical costs, loss of income and funeral expenses of other people involved in an accident.

**Property Damage Liability** - Helps protect you from paying for the repair or replacement of another driver's car.

**Uninsured Motorist** - Coverage includes your injuries or death, or those of a guest or family members riding your vehicle if it's hit by a motorist with little or no insurance.

**Underinsured Motorist** - Coverage includes your injuries or death, or those of a guest or family members riding your vehicle if it's hit by a motorist with little or no insurance.

**Medical Payments** - Can help pay for some of your medical costs or funeral expenses if you or anyone in your vehicle is injured in a covered accident.

**Towing and Labor** - Pays for towing and basic roadside assistance expenses - up to certain limits - if you're stranded on the road.

**Auto Collision Insurance** - Pays for damage to your car if you collide with another car or something else such a building, bridge or tree. If someone hits your parked car, this is considered a collision as well.

**Auto Comprehensive Insurance** - Pays for damage to your car caused by something other than a collision such as theft, fire, windstorm or hitting an animal.

**Rental Reimbursement** - Repays you for the cost of renting a car while yours is in the shop being repaired due to a covered accident - up to certain limits.

### Renters Insurance

**Personal Property** - Covers the loss of your belongings if they're stolen or damaged.

**Family Liability Protection** - Can help protect you from financial loss if you're legally obligated to pay for another person's injuries or damage to another person's property.

**Guest Medical Protection** - Can help pay for reasonable and necessary medical expenses if someone is injured in an accident in your residence.

**Personal Property Reimbursement Provision** - Typically means your belongings are covered for the amount it would take to replace them at the time of the claim. Premiums are usually higher for this coverage.

**Additional Living Expense** - Can help by reimbursing you for reasonable increases in living expense when a loss Allstate covers makes your residence uninhabitable. This may include payments for the cost of a hotel, food and other expenses. This coverage is included in your Allstate Renters Policy.

**Extended Coverage on Jewelry, Watches and Furs** - Extends coverage for jewelry, watches and furs.

**Identity Theft Expenses** - Allstate's Identity Restoration Coverage provides high-quality fraud assistance, handling everything from proactive fraud alerts to inquiries from creditors. The moment you contact us, a personal fraud specialist will help lock down your personal info and help repair any damage to your identity.
